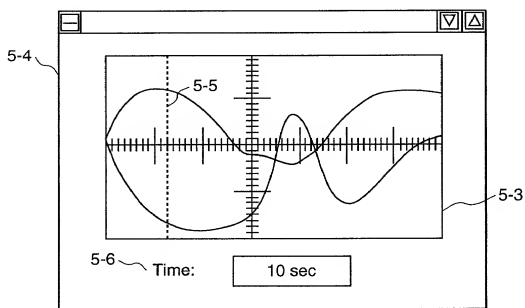

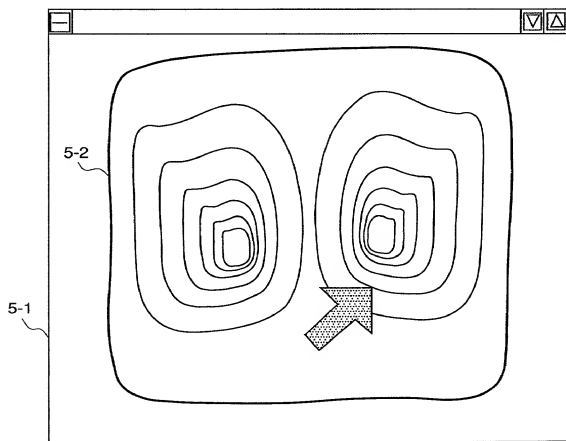

FIG. 6

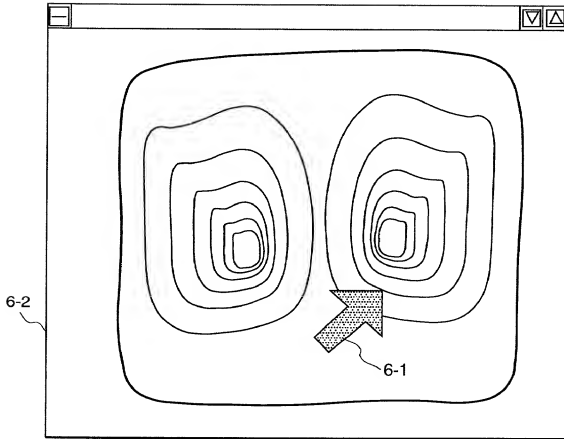

FIG. 6 shows a settings dialog box. The dialog box has a title bar with a minimize button on the left and maximize and close buttons on the right. Inside the dialog box, there are three radio buttons for output options:
 

- ☐ Show the values on the display
- ☒ Output the value onto the file
- ☐ Output the value by computer voice

 To the right of these radio buttons is a speaker icon. Below the radio buttons is a text input field labeled "Output file name" 6-5. Below the text input field is a section for "Output format" with two radio buttons:
 

- ☐ Text format
- ☒ Binary format

 On the left side of the dialog box, there is a label "Position x" next to a text input field containing the value "50" 14. A label 6-3 points to the "Output the value by computer voice" radio button. A label 6-4 points to the speaker icon. A label 6-6 points to the "Binary format" radio button.
